### Ret. Ambassador Ned Siegel joins CILC Board

Ambassador Ned L. Siegel, (Ret.) has joined the Boards of Caribbean Israel Leadership Coalition (CILC) and Caribbean Israel Venture Services Inc (CIVSI) as a Board Advisor officially on March 26, 2019. He brings a wealth of knowledge, relationships and experience to the team and he is an invaluable asset to the development of the region in his capacity. With over 30 years of entrepreneurial successes in the private sector, Amb. Siegel is the president of The Siegel Group, a multi-disciplined international business management advisory and consulting firm he founded in 1997 in Boca Raton, Florida. The Siegel Group specializes in real estate development, energy, utilities, infrastructure, financial services, oil & gas and cyber & secure technology. Amb. Siegel has extensive experience in private equity investments in Israel, bringing together people, businesses and governments in collaboration to connect the right partners and innovative solutions

### Farewell to Ms. Rebecca Theodore as CILC Director of North American Affairs.

Rebecca Theodore is no longer the Director of North American Affairs for CILC and is no longer associated with the organization. We are thankful for the voluntary contribution she made to the development of the organization

### Elbit Systems visits Trinidad & Tobago on National Security

Mr. Yosef Kraus from Elbit Systems joins President of CILC Mr. Andre Thomas in Trinidad and Tobago to discuss ways forward to combat the increase in crime within the nation. There they met with Senior officials within National Security to chart a way forward using advance Israeli technologies and systems. Like many countries within the region, crime has become increasingly sophisticated often mirroring that of larger countries known for organized crime. It is our priority as an organization to create a shield and defense in the region whilst bridging the gap between Israel and the Caribbean.

### Elbit Systems visits Barbados on National Security

Mr. Yosef Kraus from Elbit Systems joins President of CILC Mr. Andre Thomas in Barbados with Senior officials in the Royal Barbados Police force to discuss the use of Israeli technologies and systems in the near future. As the region enhances its defense systems, Barbados has began to take precautionary measures to ensure that they are prepared in the event of challenging criminal activity.
